**Criteria**

Applications are scored up to a total of 100 points, using the following criteria:

- **Artistic Merit** – Is the explanation of the project clear and concise? Does it address the impact and importance to the artist’s ability to create, advance their career, or meet professional goals? (25 points)
- **Community Connection** - Does this project benefit or impact the local community (other artists, project partners, general audience)? (15 points)
- **Budget** – Does the budget include both income and expense? Does it include whether the other sources of income are secured or also pending? Does it balance? (10 points)
- **Supplemental Materials** – Did applicant include the required resume or CV? Is the supplemental information (resume, CV, work samples, etc.) relevant? Are they complete? Do they strengthen the application? (10 points)
