**Become a Member. CREATE. CONNECT. PARTICIPATE.**
As a visual artist and educator the Arts Council of Greater Kalamazoo has provided a forum for engaging others in dialogue and a deepening of my engagement in the community where I live and work. As an educator, the Arts Council has been a significant partner, providing a forum for student exhibitions that further develop their skills and experiences as emerging artists. I am grateful for their unwavering commitment to the arts and artists in our community.

We especially appreciate ACGK’s visionary role in connecting individuals and organizations to help the arts thrive through innovation and partnerships. The Community Box Office and the new outdoor arts venue, Haymarket Plaza, are prime examples of how the Arts Council leads and connects us all. We are proud to be part of the ACGK family and encourage you to join us!

Why should you become a member?
You become part of a network of members that share a similar respect and passion for the arts and culture in our community.
You obtain access to opportunities for showcasing and promoting your art and arts events.
You connect to an organization that provides member-focused advancement and values dialogue.

What do our members have to say?

As a smaller organization, the benefits of being an Arts Council member are limitless. For our grassroots theatre company, what’s most important is exposure and access to resources. We benefit GREATLY from the advertising/marketing options that the Arts Council offers, as well as, access to much-needed grants to continue our work in the community.
